Mr. Jeff Rognstad,

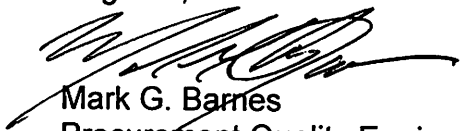

Gulfstream Aerospace Corporation Quality Assurance is pleased to inform you that your Quality System has been **APPROVED**. Your Quality System has been reviewed and it meets or exceeds Gulfstream Aerospace requirements.

The scope of your Gulfstream approval will be for the Manufacture of Fasteners for Aerospace Application per Industry Standards and/or Gulfstream Aerospace Engineering Requirements. **Please note that Gulfstream Engineering requirements, specifications and/or standards shall take precedence when applicable per the engineering requirements.**

Future audits of your facility will be at the discretion of our Quality Assurance Department, based upon your performance and our quality requirements.

This approval will remain in effect until September 04, 2017 and is contingent upon your company maintaining its current Quality Assurance Program per ISO/TS 16949:2009 Guidelines. Please notify Gulfstream of any certification status change or company changes that may result in a new evaluation of your company.

Regards,

Mark G. Barnes
Procurement Quality Engineer
